

JOIN OUR TEAM

Climbing Instructor

Instructors have the largest customer interaction of all our staff and need to be motivated and dynamic individuals who enjoy working with people and instructing indoor rock climbing..

Specific duties:

- Ensuring that new visitors to the gym have a fantastic first experience with us
- Introducing climbing safety to new climbers, including proper bouldering and spotting safety
- Educating customers to competently put on a climbing harness
- Teaching customers to tie the single and double figure eight knot as well as a single keeper knot
- Instructing customers in the safe practice of using a Petzl Grigri to top rope belay
- Instructing customers in the safe practice of using auto belay systems
- Teaching short technique classes on a variety of topics
- Ensuring safety of both staff and customers within the facility
- Evaluating experienced climbers on proper belay techniques
- Using Rock Gym Pro to check in customers and process sales

Ideal Pre-requisites:

- Experience instructing belaying
- Extensive experience climbing indoors
- Excellent teaching abilities
- Phenomenal customer interaction abilities
- Professional attitude and an eagerness to share their love of climbing

Instructor Requirements (to be completed if hired):

- Standard First-Aid with CPR-C
- ACMG or CWA Climbing Gym Instructor Certification
- Police Background check

This is a part time position. Instructor shifts can be on weekdays, evenings and weekends. Please email your resume and application to recruiting@true-northclimbing.com
