## Competition Updates

Open Boulder Nationals just wrapped up the bouldering season in Canada. TN's Alex had a great Qualifying round on Day 1,

putting her in Semis. Unfortunately competition was much stiffer on Day 2, and ended her time at OBN 2018. She'll now be focusing on ropes as we get in to Difficulty season.

## Spring is in the air. Time to climb out of hibernation.

The weather is warming up, and you'll be itching to go outdoors. You can still scratch that itch with us as we bring you one of our biggest events of the year.

### 8th Birthday Bash

March 27th is our anniversary and we're doing it big this year. Bouldering comp, highlining and a lot more. Details are still being fleshed out so keep an eye out for the official announcement.

We'll also have special merch available for preorder. Rep True North and celebrate with us!

### Yoga Fundamentals #2

We're running a 2nd round of this workshop on March 24th @ 9am. Details on the FB event page.

### Climbing Camps

Our camps are always a hit with kids, and March Break is no exception. There are still spots available during the week.

You can also get a head start for Passover. Camps are running from Apr. 2nd to Apr. 6th. Register at the desk or give us a call.

### High School Comp

Rock climbing has been growing year after year, and we're here to help with that growth. True North will be hosting the York Region High School Roped Climbing comp on March 23rd. This will aid in establishing climbing as a great alternative to conventional sports taught in our schools.
