Competition Updates

A-category athletes Ana Marin and Ruby Tennen made podium at the first Difficulty Local at Aspire Climbing, placing 2nd and

3rd respectively. They're now ramping up training for the next event at Gravity Climbing on Apr. 7th, as well as preparing for the Provincial event at True North later this month.

Spring's not quite ready yet. Needs another 30 days.

While Spring takes its sweet time deciding whether to show up or not, come inside and climb with us. We'll keep training until it stops raining.

Officially 8 Years Old

We had an amazing time last month partying with everyone for our 8th Birthday. So much cake and yerba mate was had. We can't wait to host more fun events for you to enjoy.

Check out photos of the party and the highlining on our FB page. Don't forget, we've got some shiny new gear for the 8th year. Stay fresh and stylish, rock it in the gym or at the crag. Get yours today!

OCF Provincials Soon. Prepare for disruptions.

On April 21 and 22, True North will be hosting the OCF Youth Difficulty Provincial/CEC National Series Competition. We're expecting quite a large turn out for this event. Come support and watch the future of Ontario sport climbing, as they compete for a spot to Nationals in May.

This is one of the few times we'll be closed during the year. No climbing to the public and members, but spectators are more than welcome. There will be disruptions and wall closures leading up to that weekend as well. Sorry for all the noise. We hope you understand.
